

column
(logical)

C (constant)

const_c

```
graph TD; A[column (logical)] --> D((const_c)); B[C (constant)] --> D;
```

The diagram illustrates the relationship between three components. At the top right, a white rectangular box contains the text "column (logical)". At the bottom left, a light green rounded rectangular box contains the text "C (constant)". In the bottom right, a light blue oval contains the text "const_c". A vertical arrow points from the "column (logical)" box down to the "const_c" oval. A horizontal arrow points from the "C (constant)" box to the "const_c" oval.
